

February 12, 2014

Dear Branch President:

Enclosed in this packet are the materials you will need to register for the 2014 annual state meeting scheduled for March 28-29. Online registration is also available and very convenient. However, I realize that not all our members wish to use online registration. Please note that you make your motel reservations directly with the motel. They are holding a block of rooms for AAUW NC until March 7.

The Executive Committee has tried to meet your branch needs and interests as we put together the meeting agenda.

Theme: A-B-C in AAUW NC: Activism in Branches and Coalitions

- **Activism** on AAUW issues at all levels and how to find candidates who support our issues.
- **Branch** ideas that have worked for one branch will be shared.
- **Coalitions** allow us to renew and make new AAUWNC friends while working together on important issues for all NC women and girls.

We hope that your branch will be represented on Friday afternoon at the Presidents' Council. If the Branch President cannot attend, please send another member to represent the branch. All branch members can attend the Presidents' Council meeting as it is an open meeting.

I look forward to seeing each of you in March.

Mary A. Peterson
President, AAUW NC
