

“There is Still More Work To Be Done”

Millie Hoffler-Foushee Director at Large

Why Choose Me ?

As AAUW Vice President of Finance I made it possible for the Finance Department to submit 990N on behalf of authorized branches and states.

Revised the investment policy and working rules.

Reviewed and rebalanced the investment classes so that we have recovered over 94% of our lost investments due to the recession.

What Will I Do ?

Retain momentum in recovering investments.

Motivate finance department in continuing their quest to streamline finance department procedures.

Encourage more communication between members and Finance VP.
