

AAUW NC Talent Bank

1. Introduction

In order to have more AAUW members involved in our state-wide teams, we are establishing a list of interested members to submit to the various state leaders for consideration to fill vacancies.

By submitting this Talent Bank Application, you are indicating your availability for service. One part of the application will let you specify any constraints that you would like to put on your service.

Application submission does not mean that you will be appointed, but that your name will be available for review and possible selection. Please do not let modesty inhibit the completion of this application.
