Would the state have the deposit of \$500 or do we go into our branch funds, to be paid back?  
This is the proposal. It looks good to me. Includes 2 nights in hotel and bus driver. Sue

Hello Susan,

Thanks so much for contacting Holiday Tours for your group's upcoming trip to Seneca Falls, NY on May 1-3, 2020. Darin and I would be happy to plan this trip for you.

I have attached a proposal to this email. The proposal will tell you the PER PERSON price based on room occupancy and will list what items are included in the price. The motorcoach and driver are also included in the prices listed.

The minimum number of paying passengers required to take the trip is 45. With 45 paying passengers, we will give you one additional trip for **FREE!** The complimentary trip is credited at the double occupancy rate. Basically, it would cover the 46th passenger's trip cost.

**We are not holding a bus or any reservations for you at this time. Because we are not holding any reservations for you guys, I am not able to tell you where you'd be spending the night or anything like that. We would require a \$500 deposit in order to hold the bus and start making reservations.**

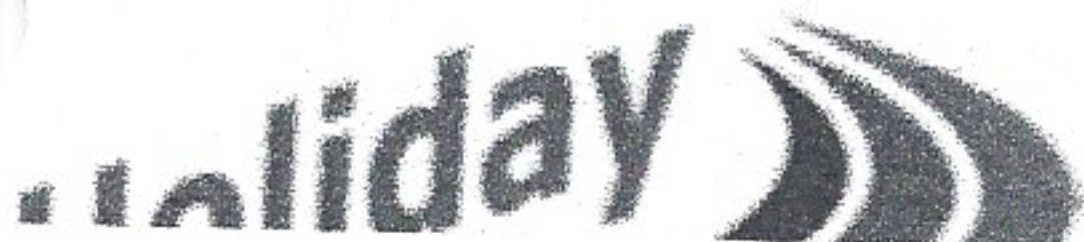

If you have any questions or if you'd like to book the trip, please let me know.

Thanks so much!
