

AAUW NC Areas of Focus for 2023-2024

Focus Area	Actions
STEM Ed	Offer branch STEM (Science Technology Engineering Math) programs assistance to grow and support in creating new branch programs
State and Branch Websites and Social Media	Seek a solution for consistent updating and posting new information
Regional Meetings	Explore the potential of holding regional leadership meetings and/or conferences
Connect Branch Articles	Encourage every branch to submit information to at least one Connect
Advocacy Participation	Increase active participation in Public Policy Committee advocacy efforts
Diversity Equity Inclusion (DEI) to Branches	Through information and mentoring seek to add DEI to branches
College/University Partnerships	Assist branches to develop these relationships and include C/U representatives in their membership
AAUW Brochure	Develop brochure that can be used at local and state meetings to inform the public about AAUW membership
Mini Grants	Encourage branches to apply for mini grants that positively affect their branch and communities
AAUW Funds	Educate and engage members and their communities in support of AAUW Funds
