AAUW-VA is hosting this three-day conference of AAUW members along the Atlantic coast at a resort/conference center just north of Richmond. Members of other organizations, and your friends and family are invited to this powerhouse conference. AAUW branches are urged to send at least one person to the Conference, who can report back to the branch on the event, and also to allocate a partial expense reimbursement for that person.

Included in the sessions are presentations by Gloria Blackwell, AAUW CEO, and Meghan Kissell, AAUW Senior Director of Policy and Member Advocacy. Other knowledgeable speakers will discuss the challenges of our public schools, artificial intelligence, poverty, voting rights, inclusion, Title IX and the compelling history of AAUW. Share with and learn from members from other states about successful AAUW projects and ideas for your branch. You may wish to make the event a vacation given all the historical, arts, and outside activities in the area of the Conference, the beauty of the resort location, the quality of our speakers, and the opportunity to network with members from other states.

Members should look at the useful AAUW logo items we created that are for sale to support the Conference. Also all are encouraged to send advertisements for the Program Book to Carol Griffith cag2002@roadrunner.com. The costs are \$25 for a quarter page, \$50 for a half page and \$75 for a full page.

WE LOOK FORWARD TO SEEING YOU IN SEPTEMBER!
